PRESS RELEASE

FOR IMMEDIATE RELEASE

JONATHAN BLOCH JOINS TERN FINANCIAL GROUP BOARD Directorship for Global Financial Data Titan

Montreal, CANADA (February 4, 2014) - TERN Financial Group Inc., an emerging financial services provider focused on the global relocation market today announced that Jonathan Bloch BA, LLB, LLM has joined the company's board of directors. As a member of the board of directors, Mr. Bloch will deploy his profound knowledge and insights concerning timely and consistent international financial services delivery to provide strategic direction to the company's global operations.

Jonathan Bloch is the founder and Chief Executive Officer of Exchange Data International Limited, a financial data provider with operations on four continents. Prior to establishing Exchange Data he served as Chief Executive Officer of Tenfore Systems, and was instrumental in that company's sale to Morningstar Inc. in 2008.

"Jonathan's credentials will help us expand and cement TERN Financial's place as the forerunner the international mobility sector," said Paul Coleman, President and CEO of TERN Financial Group. "He brings unique perspectives on what is required to build and operate a trusted, global financial services company"

In his capacity as consultant Jonathan Bloch has provided strategic direction and advice to a diverse group of clients including an investment holding company, utility consulting company, recruitment agency, trade association, publishers both in the USA and the United Kingdom, a facilities management company and financial services companies. He has undertaken extensive mergers and acquisition research for various companies.

"TERN Financial is well positioned to emerge as a important player in the global relocation market supply chain," said Mr. Bloch. "In my role on the Board of Directors, I look forward to applying my experience and expertise to help TERN Financial establish and maintain a world class financial services organization."

Mr. Bloch has received degrees from University of Cape Town and London School of Economics.
